#### ABOUTUS

In 2001, Al Banna Marble was founded by Mr. Rasheed Osman Hallak having its factory and showroom at Dubai, U.A.E. In the beginning of 2008, the management has decided to change the company name on his very own RASHEED AL HALLAK MARBLE Cutting & Scratch SHJ (RHM) and shift all its facilities to Sharjah.

RHM as a specialist is manufacturing, supplying and fixing of Marble Tiles, Decorative Marbles and Stone items for almost a decade. Our highly qualified specialized staff transforms the cold blocks of stone into warm, shapely and inspiring work of art that are objects of envy to the eye. We are known as one of the leading suppliers of Marble Tiles, Fountains, Columns, Fireplaces, Balustrades, Handrails, Table bases and Table Lamps. We are fully equipped for virtually all kinds of hand engraving and artistic works. We have conducted some of the prestigious jobs in the UAE and we take real pride in the outcome.
